

Department of Chemical & Biomolecular Engineering: Advisor Selection Form

Submission Deadlines: [October 15](#) (first submission) and [November 15](#) (final submission)

Graduate Research Advisor and Project Selection

Each graduate student, during the first semester, must meet with at least **FIVE** faculty members to discuss potential research projects and each faculty member must sign this form after the meeting. The student should meet with at least **TWO** faculty members before the first submission date (Oct 15th). For the first submission, only Section 1 needs to be filled out. For the final submission (Nov 15th), fill out both Sections 1 and 2. Use additional copies of this form if you have more than five meetings. In each case, the form should be scanned and emailed to Kathy Gardinier (lopersti@umd.edu). The department will match students to faculty advisors based on their choices.

Section 1. Faculty Signatures

Please have each faculty member that you interview sign and date below:

Faculty Name (Print)	Signature	Date
1. _____	_____	_____
2. _____	_____	_____
3. _____	_____	_____
4. _____	_____	_____
5. _____	_____	_____

Section 2. Ordered Selection of Potential Research Projects

Please list four choices of a potential research topic area and advisor (four different faculty members must be listed as advisor choices). You may elaborate on your choices on the back of this page.

	Research Topic Area	Advisor
1 st Choice	_____	_____
2 nd Alternate	_____	_____
3 rd Alternate	_____	_____
4 th Alternate	_____	_____

Student name: _____ Student ID no: _____

Date of 1st submission: _____

Date of final submission: _____
